2017 GOLF BALLS

**The most trusted ball in golf.**

In golf and in business, it's wise to choose a strong partner. At the game's highest levels, superior product performance is what matters most. That's why, week in and week out, more of the world's best players trust the Tour-proven performance and consistency of Titleist golf balls.

These are also the reasons why more of the world's most prominent clubs and corporations choose to associate their brand image with Titleist, the golf ball performance and quality leader.

Titleist is committed to meeting and exceeding the expectations of golfers worldwide by designing and producing golf balls of superior performance and quality that provide golfers with a competitive advantage.

From the most played and best-selling Titleist Pro V1 and Pro V1x, to the high performance NXT Tour and NXT Tour S, to the explosive Velocity and soft compression DT TruSoft, Titleist offers a golf ball model that meets the performance, quality and price preferences for all golfers.

We also offer the Pinnacle line of golf balls. The high-powered Rush golf ball is built for pure distance while the low compression Soft is built for distance with an extremely soft feel.

## PRO V1® | NEW

The new Titleist® Pro V1 golf ball features longer distance, more consistent flight, lower long game spin, outstanding Drop-and-Stop™ control and very soft feel.

Available in play numbers 1-4, 5-8 and all the same play number 00, 1-99.

## PRO V1x™ | NEW

The new Titleist Pro V1x golf ball features extraordinary distance, more consistent flight, high launch, low long game spin, outstanding Drop-and-Stop™ control and soft feel.

Available in play numbers 1-4, 5-8 and all the same play number 00, 1-99.

# NXT® TOUR

The Titleist® NXT Tour golf ball is a high performance ball delivering low driver and long iron spin for outstanding distance along with excellent shot stopping control.

# NXT® TOUR S

The Titleist NXT Tour S golf ball delivers the same high performance characteristics as NXT Tour with significantly softer feel.

*Available in white and high optic yellow.*

## VELOCITY

The Titleist Velocity golf ball delivers fast initial ball speed on all full swing shots for explosive distance while providing playable feel in the short game.

Available in play numbers 1-4 and 00, 22, 77, 99.

## DT TRUSOFT™

The Titleist DT TruSoft golf ball provides our softest compression feel while delivering impressive distance and good short game playability.

Available in white and high optic yellow.

# RUSH

The Pinnacle® Rush golf ball is designed to deliver extraordinary distance helping golfers of all abilities hit the ball longer.

Available in white and yellow.

# SOFT

The Pinnacle Soft golf ball is designed to be an incredibly soft, low compression golf ball to give golfers an extremely soft feel and help them hit the ball longer.

Available in white with black play number, white with pink play number, and pink with black play number.

# CUSTOM GOLF BALL GUIDELINES

## KEY POINTS

- Supplying PMS (Pantone® Matching System) colors is preferred for accuracy.
- Artwork received without PMS colors will be set up to match supplied image.
- Long lines of text or text printed in light colors will not reproduce well. We suggest using dark colors and removing or stacking long text for best appearance.
- Printing capabilities are limited to 5 colors, however, we can manipulate artwork to generate multiple colors using half-tones, gradients and CMYK process inks.
